SPOTLIGHT

Connecting People to Work

Seneca was provided a job with a liveable wage within 24 hours of interviewing with the support of TalentBridge. We covered the cost of gas for his first day of work to make sure he could get there, provided access to the Goodwill Cares Community Assistance Program and connected him to the Racine Financial Empowerment Center and the ELF Fund. Seneca maintained more than six months of employment, giving him the ability to move his family to a stable living situation.
